## GERIATRIC CONSULTING

We are a full-service consulting firm dedicated to designing customized solutions and producing positive results for Upstate Seniors and their families for 20 years! Together, we can make a difference.

### *What to Expect:*

- The purpose of your initial assessment is to identify potential issues and make specific suggestions about how to prevent, treat, and help manage you or your loved one's aging concerns.
- Browning Geriatric Consulting will receive a referral from your physician or medical provider.
- We will then contact you within 3 business days to schedule your initial consultation.
- If you need to reschedule or cancel your appointment you must call 864-233-5260 within 24 hours of your appointment time.

### *What Medicare covers:*

- In-office sessions only.
- Initial sessions may take up to 90 minutes.
- If recommended, follow-up session would last 45-50 minutes.

### *What to bring to session:*

- Medicare card and any supplemental coverage cards.
- List of questions or issues to discuss.
- Notebook and pen to take notes.
